

# 1st Annual Southeastern Neonatal/Pediatric Nutrition Conference

The Changing Tide of Neonatal and Pediatric Nutrition

**Friday, November 15, 2013 • 8am-5pm**

**NHRMC Auditorium**

**Betty H. Cameron Women's and Children's Hospital**

**Wilmington, North Carolina**

**TARGET AUDIENCE:** Pediatricians, Neonatologists, Neonatal/Pediatric/Family Nurse Practitioners, Dietitians, Respiratory Therapists, General Medicine, Pediatric Gastroenterologists, RNs, LPNs, APRNs, Physician Assistants and Pharmacists

## CONFERENCE DESCRIPTION

The 1st Annual Southeastern Neonatal/Pediatric Nutrition Conference is designed to provide the most updated, advanced and practical approaches to contemporary issues in pediatric and neonatal nutrition. This activity will provide unique opportunities to learn, share and investigate new ways of assessing and managing pediatric patients with complex nutritional needs.

## CONFERENCE OBJECTIVES

At the conclusion of this live educational activity, participants should be able to:

- Identify nutritional needs and nutritional management for patients with Celiac Disease
- Identify the potential implications of altered eating behaviors in children
- Describe how diet, environment, and microbiota in infancy affect long-term immune system health
- Describe appropriate nutritional therapies for children with various gastrointestinal disorders
