

2014

NUTRITION Lecture Series

PRETERM INFANT NUTRITION Assessment, Intervention and Management

LUNCH & LEARN • WED. DECEMBER 3, 2014 • NOON

CHRISTOPH FUSCH, MD
Jack Sinclair Chair in Neonatology
McMaster University
Hamilton, Ontario, Canada

Dr. Christoph Fusch obtained his M.D. (1984) and pediatric education at the University of Tuebingen, Germany. After completing his training in MR research and Neonatology in Zurich and Berne, Switzerland in 1997, he obtained his Ph.D. Dr. Fusch was Professor and Chair of Neonatology at the Ernst-Moritz-Arndt University Greifswald, Germany since December 1997. During this time Dr. Fusch successfully transformed the unit into a modern perinatal centre with a strong clinical and research program.

He was the acting Medical Director and President of the Executive Board, University Hospital at Greifswald. He authored more than 100 scientific papers which were published in several journals, such as American Journal of Clinical Nutrition, Pediatric Research, JCEM, etc.

Dr. Fusch's clinical research aims to work on evidence-based strategies to improve short- and long-term outcomes of premature infants and high-risk term neonates; a multidisciplinary approach using extended imaging techniques as well as a metabolic unit in the NICU looks to identify conditions during fetal and early postnatal life.

Why Nutrition Matters in Long-term Outcomes of the Premature Infant

W & C Classroom
Betty H. Cameron Women's and Children's Hospital

NEW HANOVER REGIONAL MEDICAL CENTER
Wilmington, NC 28401

Lunch will be served

Supported, in part, through a restricted educational grant from Abbott Nutrition, Abbott Laboratories, Inc.

If you have any questions, please call 910-667-2677

For special services, assistance, or information call SEAHEC at (910) 343-0161, Ext. 330

Attendance of the entire program is required to receive credit. No partial credit will be awarded.

SEAHEC adheres to NCMS and ANCC Essential Areas and Policies regarding industry support of continuing medical education and continuing nursing education. Commercial Support for the program, and faculty relationships within the industry, will be disclosed at the activity. Speakers will also state when off-label or experimental use of drugs or devices is incorporated into their presentations. Participation in an accredited activity does not imply endorsement by SEAHEC, NCMA or NCNA of any commercial products displayed in conjunction with an activity.

ANCC: SEAHEC is an approved provider of continuing nursing education by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Total number of Nursing Contact Hours: 1.0

CME: This activity has been planned and implemented in accordance with the Essentials and Standards of the North Carolina Medical Society through the joint sponsorship of South East Area Health Education Center (SEAHEC) and Coastal Carolina Neonatology.

SEAHEC is accredited by the NCMS to provide continuing medical education for physicians. SEAHEC designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
